Committee
Report 8-21-08.pdf

Dear Ms. Adams,

I'm writing to inform you that Purdue University's appeal committee, constituted as prescribed by the University's Policy on Research Integrity, has completed its review of the appeal filed by Professor Taleyarkhan of the findings of the Investigation Committee. The appeal has been denied and the findings of the investigation committee will stand.

Prof. Taleyarkhan has been informed of the outcome of the appeal and of the University's sanctions for his actions which have been found to represent research misconduct.

Purdue will issue a press release this afternoon summarizing this outcome. I will send you a copy of the press release when it has been issued.

Purdue has received a request under Indiana's public records statute for copies of the report of the appeal committee and the letter outlining sanctions. These documents will be released this afternoon.

Anticipating that your office may be contacted by the press, I am attaching, in pdf format, copies of the appeal committee report and the Provost's letter identifying sanctions, for your information.

During the next few days, I will finalize a letter to you responding formally to the request for information in your letter of 17 July 2008.

Please let me know if you have any questions.

Thank you for your continuing assistance in this matter.
