From: Steve Krivit Subject: Taleyarkhan Sanctions

Vincent Bralts,

Rusi Taleyarkhan and John Lewis have both reported to me that you lied to Taleyarkhan about the nature of the meeting on Aug. 27, 2008.

Furthermore, according to Brian Wallheimer, Taleyarkhan and Lewis, Wallheimer asked you questions about the nature of the meeting and you declined to answer his questions.

Please refer to the attached document for the details of the facts as I have been able to confirm thus far. Please let me know if you have any comments or corrections to the facts as shown in the attached document by 5pm on Friday.

Thank you,

Steven B. Krivit
