Professor Mark A. Hermodson and France A. Córdova,

From my investigation, the Purdue C-22 Investigation Committee, under your direction and authority respectively, fabricated the two charges, A.2 and B.2, against Rusi Taleyarkhan. I will be publishing a story about this tomorrow night and would like to speak with each of you and get your comments.

I need to hear back from you by 5pm (Pacific) Tuesday to include your comments. [redacted]. (I will be out of touch Tuesday morning.)

If you request, I can show you the pending draft of my article and the underlying data I have obtained in my investigation.

(Prof. Hermodson, I have also left messages for you on (765) 494-1637 and (765) 463-0147.)
