Date: Tue, 14 Oct 2008 20:54:00 -0700

Just got this most unusual request from Purdue's administration.

Very ironic that this should come to me AFTER Steve Krivit provided his [request for comment] to Purdue's President.

[REDACTED]

I don't know if it is UCLA or Purdue's Peter  
Dunn and attorney Kealey who fabricated the two allegations which Steve Krivit  
wrote today in *New Energy Times*.
